Notification dated 13th March 1931.

Sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, up to 2 P.M., of Saturday the 5th April 1931, from contractors, who are willing to do the work of extending the Transformer Room in the Central Workshops, Mysore.

2. Every tender should be accompanied by an earnest money of Rs. 100 (one hundred only) which can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender.

3. Tenders should be submitted in special forms, which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

4. Tenders which give rates, "as per estimate rates" or "so much per cent above or below estimate rates" will not be considered.

5. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office by the end of April 1931 and enquiries regarding the acceptance or rejection of a tender will not be replied.

6. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be retained as part payment towards the security deposit due as per para 7 *inf a.*

7. The successful tenderer should deposit with the Auditor, Mysore Railways, Mysore, before they sign the schedule agreement 5 per cent of the value of the work for which the tender is accepted as security for due fulfilment of the terms of the agreement.

8. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor, any or all the tenders.

9. Work should be started within a week of acceptance of tender and completed before 15th June 1931, with a guaranteed monthly rate of progress. The accompanying schedule gives the approximate quantity of works and this quantity is not guaranteed.

10. The time limit specified in para 9 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his five per cent deposit amount not as a penalty but as ascertained and liquidated damages recoverable accordingly. Any penalty that may be enforced by the Executive Engineer for reasons of delay and unapproved work, will also be levied.

11. Plans and specifications and other details of work to be done are available for inspection in the Executive Engineer's Office, Mysore Railways, Mysore, during the office hours.

12. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintendent, Way and Works, will be final and legally binding.
